Re: Picillo Waste Disposal Site  
Coventry, Rhode Island

Dear Mr. Blumstein:

As a distributor of fine chemicals, CITY CHEMICAL CORPORATION, does not come in contact with any hazardous waste material. Therefore, no officer, employee, or agent, related to this company has ever authorized the disposal of hazardous waste material. Clearly, we would have no need to hire any company that recycles, treats, or disposes of waste substances.

Very truly yours,

CITY CHEMICAL CORPORATION
